

CCN Digital Production, Design & Development Level 3 College Interview Task 1

by Harvey Washington (hjw45h@gmail.com)

- 1) The Farmer will go across the river with the hen, leaving the dog and the corn behind.
- 2) The Farmer will come back across the river
- 3) The Farmer will go across with the dog
- 4) The Farmer will return from the otherside with the hen, to prevent the dog worrying the hen.
- 5) The Farmer will travel across with the corn, to prevent the hen from eating it.
- 6) The Farmer will come back
- 7) The Farmer will now travel back across the river, with the hen.
- 8) The Farmer should now return the seat to the otherside of the river, as agreed.
